Build, Scale & Shine
without sacrificing your energy

I'm on a mission to empower spiritual entrepreneurs
to become true changemakers,
transforming their passion into profit while staying
deeply aligned with their energy and values.
Through my book Energy Over Hustle™ and the
Changemakers Method™,
I show women how to scale with soul and create
lasting impact without the hustle.

About Clare

Clare Harvey is an Energy Business Mentor, author of Energy Over Hustle™, and tech strategist helping soulful women in business heal their energy, align with purpose, and scale with ease. With 23 years of entrepreneurial experience, Clare blends spiritual wisdom with digital strategy to help healers, coaches, and creatives create businesses that thrive without burnout. She is the founder of Soul Tribe Media, creator of the Changemakers Method™, and designer of passive income systems and funnels for spiritual entrepreneurs. Her approach combines energy healing, aligned strategy, and automation—with humour, heart, and zero fluff.

ABOUT ENERGY OVER HUSTLE

Energy Over Hustle is the ultimate guide for spiritual entrepreneurs who are done with burnout and ready to build a business that feels as good as it looks. Written by energy mentor and tech strategist

Clare Harvey, this book blends mindset, energetics, universal laws, and automation strategy to help soulful women create passive income, heal their relationship with work, and lead with their purpose.

Whether you're a healer, coach, or creative, this is your permission slip to stop doing business the hard way, and start scaling with soul.
